I would like to inform you Mr. Steet that my case has been assigned to you it's the case Robinson vs West well I have been told by staff here in the prison that if I pursue to go forward with this case against Ms. West that the staff will allow other inmates to rape me & do physical harm to me and ~~will~~ will make sure I spend at least 24rs or more in the SHU units the staff are Sgt. Gill and Corporal Cupid they forced me to write the Clerk and lie to the Clerk and say that I did not have the money to continue on with the case so I did because I fear for my life with staff threatening me & blackmailing me to do these things or (else....) I can't go to the staff in the prison and report it because obviously they know what's going on because the warden is involved in the suit also Mr. Steet please.... I beg you & your courts to lead me in the right direction I fear for my life and I'm in danger Sir and yes I want to continue with my case but I don't want any harm to come my way, so I would highly appreciate it if you would respond.
